The Five Best Sector ETF Plays of September

The market recovered in September after volatility spiked on the Syria crisis in late August. Among the best performing sector plays, clean energy, Brazil financials and lithium exchange traded funds lead the charge.

In September, the **PowerShares Wilderhill Clean Energy Portfolio (NYSEArca: [PBW](#))**, a fund that tracks a broader range of companies dealing with renewable sources of energy, increased 15.9%. ...

....

The Chinese government is also providing a helping hand. China's Ministry of Finance said it will give tax breaks to solar products manufacturers in an effort to help those companies still grappling with tepid demand.
