Financial Products News #2012 - 4 NASDAQ OMX to Discontinue Dissemination of Wilder NASDAQ OMX Global Energy Efficient Transport Indexes Effective after the Close of Business Friday, February 24, 2012

[NOTE: this refers to the cessation of the HAUL Index – which no longer had any ETF tracking product as of the past year – and it was an anticipated event given the ending of the tracker].**

Effective close of business **Friday, February 24, 2012**, NASDAQ OMX® will cease to support the following two NASDAQ OMX indexes:
Wilder NASDAQ OMX Global Energy Efficient Transport Index (Symbol: HAUL)
Wilder NASDAQ OMX Global Energy Efficient Transport Total Return Index (Symbol: HAUX)
